EVOLUTION ETK 1

Search Tool Kit from EOD UK

Description

The Evolution ETK 1 Search Tool Kit from EOD UK Ltd is the base module in our range of tool kits designed for use by CIED, EOD & Search operators. The ETK 1 provides a set of tools that can be utilised by a "rummage search pair" for use in a range of search tasks. The ETK 1 is supplied in a Peli-Hardigg Storm iM 2975 case with two layer custom foam cut out to house the tools.
